# Custom Designs

## Custom Emblems

Submit your design, and we'll take care of the rest. From a sketch to finished artwork, we can customize an emblem to your specifications. We'll even send an existing emblem to you for approval. Emblems are available in several options (see below).

### Embroidered

Highlights traditional emblem construction with raised detailing and a shiny finish

### Inkjetted

Provides more flexibility with details and color gradation

### Woven

Allows for more detailing, including smaller lettering

### Combination

Combines the fine detail available with a woven emblem, but with the classic raised features of traditional embroidery

### Heat-Sealed

Provides a professional appearance and a durable, permanent design without the irritation caused by backing. With the intricate detail of laser etching, the permanent adhesion also eliminates puckering for a smooth finish. Made of the same polyester thread as traditional embroidery, but at a fraction of the cost.

Set yourself apart with a unique emblem or exclusive embroidered design. When public safety professionals arrive at the scene, a customized emblem immediately identifies them as authority to civilians and to other public safety agencies. Let us help you distinguish yourself in a sea of uniforms with custom authority. Call 866.673.7643 today to find out how you can outfit your entire department.
